This is again a mare from the Italian stud, which was owned by Tomaso Busachi.

She is big and powerful in movement and as kind as the day is long - a very impressive mare, she was Champion mare and awarded a premium at her grading and she was also Reserve Champion mare in show.

She is again out of the Freia line so well known for breeding Champion mares and stallions and Unica will put our Freia-family on a strong high quality.

Her Sire Honeur was Champion of the performance test with a fantastic score of 138,69 points and Honeur kept what he promised during his performance test and became a successful dressage horse and show jumper later on. He got a high reputation for being one of the leading Sires of competition horses for all sorts and competition level. A very well known Sire in the Brazil riding horse breeds and continued after that his career in the well known stud Hamelschenburg.

In the combination with genes of the TB Sire Freefoot xx, who covered mares for only two years in the state stud of Marbach, we are expecting very talented, athletic and powerful horses from Unica.

Her Dam is a ½ sister to the mare Ullalla and this mare line is so renowned for its riding ability and they are always so easy to do in all respect.

Her off spring are very big strong proud looking foals with tremendous power in movement.
