Singing Habiana

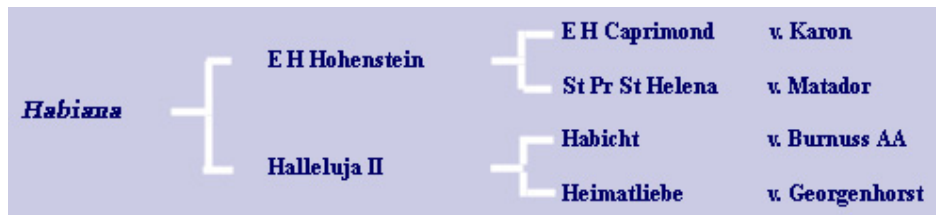

By E.H Hohenstein
Out of Halleluja
By By Habicht

Colour:	Black
Born:	26.02.2004
Sex:	Filly
To Make:	16.1 hh
Passport:	English

Breeder:
The Singing Stud
Ross-On-Wye
Herefordshire
HR9 7RG
England

Mare Family:
Heimkehr

Another stunning filly, which is so beautiful and with wonderful movements she is a very special little girl. Halleluja was inseminated to Hohenstein in the hope of a filly and we were so pleased when lifting the tail to see that we had such an exquisite little girl, which one day will enter our herd.

Her Sire Hohenstein is the only stallion within the last 30 years of breeding, which has had such an influence on the improvement of riding ability. This big black and beautiful Caprimond son is well known as a dressage sire in the Hanoverian and Oldenburg breed as well as in the Trakehner breed. He became a Premium stallion at his grading in 1993, Reserve Champion of his performance test and 3rd in the nationals German riding horse championship.

Hohenstein is now competing at Grand Prix in dressage. A sire of over 13 graded sons in different breeds, among them the impressive Trakehner stallion Munchhausen, he is also the sire of a big number of outstanding riding horses and top prize horses at auctions. His dressage index of 145 establishes on the top positions in the group of the most proven and successful dressage sire of all German breeds. His dam Helena is a full sister to the Champion mare Hama, Harma and Havanna. Hohenstein was given the Elite status in 1999 and was voted the Trakehner stallion of the year in Germany in 2002.

Halleluja II is again a mare with that TRUE Trakehner type look about her, the deep body, big eyes and lovely hourglass face makes her a little horse you just can't take your eyes off.

Her family comes originally from the Swedish Trakehner breed and the foundation mare Heimkehr was one of the first mares building up the herd of the Trakehner stud Birkhausen , where Abdullah was bred as well.

The Heimkehr-family today counts among the most proven and successful competition families of the whole breed, with the ability for all levels in all kinds of competition. The Sires Heidedorn, Heimherr (whom was successful in international show jumping) and the proven Sire Honeur are members of this family. Phantom the most successful show jumper for the last three years comes also from this family.

Halleluja's father Habicht is a worldwide famous hero of the international three-day-event circuit. As a winner of several international competitions, he founded a new blossoming stallion line. Among 12 graded sons we will mention the great stallion Sixtus (successful show jumper up to advanced level and sire of many graded sons and premium daughters), Balzflug as the well known Grand Prix dressage stallion in the Netherlands and the international three-day-event Stallion Windfall, who qualified for the Olympics Sydney 2002 (and again for the Olympic in 2004). Habicht left 133 graded broodmares and a high number of successful competition horses for all sport, for example Livius, who in those years was known as one of the most popular show jumpers of the world. The Habicht-line produces athletic, noble horses with lots of power and high intelligence.

Habiana will be retained by the stud owner for one day to join the herd.
