His Dam's Sire Humanus was a shooting star of the national show jumping circuit, but due to his sale to Italy his career found a sudden stop. At least he left in the Italian Trakehner breed some outstanding youngsters and we are very proud to have Halleseen in our herd.

A son of the Elite stallion Maizauber and a member of the famous Mahagoni-sire-line, he shows on behalf of presence, beauty, nice conformation and powerful movements everything this stallion line is well known for. His mother Heublume II by Tenor is a half sister to the graded stallions Husar, Hornist, Holunder (Champion of his grading) and Heuriger (World-Cup-dressage winner). The Heublume family counts among the highest proven competition lines of the breed and Humanus proved that as well.

Her Dam Halleluja has this typical “true” Trakehner look and is by the stallion Habicht. He is a worldwide famous hero of the international three-day-event circuit and as a winner of several international competitions, he founded a new blossoming stallion line. Among 12 graded sons we will mention the great stallion Sixtus (successful show jumper up to grade A and a Sire of many graded sons and premium daughters), Balzflug as the well known Grand Prix dressage stallion in the Netherlands and the International three-day-event stallion Windfall, who qualified for the Olympics Sydney 2000 and again for Athens 2004. Habicht left 133 graded broodmares and a high number of successful competition horses for all sport, for example Livius, who in those years was known as one of the most popular show jumpers of the world. The Habicht-line produces athletic, noble horses with good powerful movements and high intelligence.

The Heimkehr-family today counts among the most proven and successful competition families of the Trakehner breed, with its ability for all levels in all kinds of competition. The Sires Heidedorn, Heimherr (whom was successful in international show jumping) and the proven Sire Honeur are members of this family. Phantom the most successful show jumper for the last 5 years comes also from this family.

His Sire Arentino competed up to Prix St. George and loved his jumping to.

Hallmark is a stunning little chap, which is really friendly always coming up to say hello, he will suit the smaller rider, as he wont be a very big horse.
