Her Sire Arentino was competed in Prix St. George dressage and did also really well in show jumping. Arentino's Sire Santiago by Wie Ibikus and out of the foundation mare Schwalbelied was Champion of his grading in 1980 and was a very substantial big framed grandson of the legendary stallion Ibikus, which went on to become a very good show jumper. Wie Ibikus himself produced a big number of high successful dressage horses competing up to Grand Prix. Santiago produced some outstanding broodmares and the value can be seen in his offspring's competition results.

Arentino's Dam E.St Arktis II presents herself as one of the more valuable broodmares of the Trakehner breed, being a full sister to the stallion Arogno, sire of the stallions Schwadronneur (now dead) and Anky's stallion Partout. E.St Arktis's offspring are doing well in 3-day eventing and dressage competing in Prix St. Georges.

His dam Holme Grove Madonna is by the stallion Pascal champion of his performance test and performed in his younger years with high success in show jumping and three-day-event on a national level. His mother line is known as one of the most proven families of the Trakehner bred and produced the dressage stars like Anky von Grunsven's Grand Prix stallion Partout and the Olympic bronze winner Peron nearly a full brother to Partout. Madonna's dam Marcella is by the stallion Postmeister, which sire competed in Grand Prix dressage. Postmeister dominating position as a dressage sire has been proven through a big number of high successful competition horses like Dr. Klimke's international stars, Pia, Tango, Harmonie. This bloodline is well known for passing on good size, big frame with powerful and elastic movements and in a certain sense very athletic and noble horses.

Mystique is a stunning filly just like all the other foals Madonna has had. She will make a wonderful sports horse with these fantastic bloodline and her powerful elevated movements. Like her brother Meister Bo she has it all to make it to the top and she will stay here at The Singing Stud, where she will be competed later in life.
