Polar's Sire Arentino was competed in Prix St. George dressage and did also really well in show jumping. Arentino's Sire Santiago by Wie Ibikus and out of the foundation mare Schwalbelied was Champion of his grading in 1980 and was a very substantial big framed grandson of the legendary stallion Ibikus, which went on to become a very good show jumper. Wie Ibikus himself produced a big number of high successful dressage horses competing up to Grand Prix. Santiago produced some outstanding broodmares and the value can be seen in his offspring's competition results.

Arentino's Dam E.St Arktis II presents herself as one of the valuable broodmares of the Trakehner breed, being a full sister to the stallion Arogno, sire of the stallions Schwadroneur (now dead) and Anky's stallion Partout. E.St Arktis's offspring are doing well in 3-day eventing and dressage competing in Prix St. Georges.

Polar's dam Polarfee was reserve champion of the 4-year-old grading in 1999. She has also passed an excellent mare performance test.

Her sire E.H Stallion Van Deyk competed very successfully in dressage up to Grand Prix and established a new blossoming stallion line, which finds his basics in the dressage stallions Feingeist, Pomerol, Powerpoint, Handryk and Rastenberg. He also passed a first class performance test and sired an impressive group of outstanding broodmares, which is stamped by his noble presence and riding qualities.

The mother line is a legendary one going back to one of the highest proven and oldest bloodlines of the black herd in the main stud Trakehnen. Polarfahrt herself was known as one of the best mares of all warmbloods in her years and founded a most popular family. Famous sires like Polarfurst, Polargeist and Polarpunkt are members of this bloodline.

Polarfee's grandfather Insterruf was reserve champion of his grading and became later on a leading sire in the American Trakehner breed.

Polarfee's grandmother Pommern by Habicht was known as a very athletic powerful mare with a lot of winnings in three-day-events up to advanced level.

This wonderful gelding should excel well in any phase of sport with these wonderful sports bloodlines.
