This lovely mare is gentle and kind with a fantastic temperament and very floating movement.

Her sire Honeur was winner of his stallion performance test and he was successful in dressage. He transmitted an extremely good type, a very good conformation, eye-catching dressage movements and a very good jumping ability. Honeur's son Merlin obtained twice the finals of the German National Championship in show jumping and he was also the Trakehner show jumping-champion. Honeur's sire Leonardo is one of the most successful stallions of the Trakehner breed, which passes his jumping ability on to his offspring. His dam Hantel is a daughter by the Reserve Champion stallion Grimsel, who is also a Champion of the stallion performance test.

Her dam Sybilla II is by the worldwide famous sire Habicht, which was an international three-day-eventer. A winner of several international competitions, he founded a new blossoming stallion line and among 12 graded sons, we mention the great stallion Sixtus, a successful show jumper up to advanced level and a sire himself of many graded sons and Premium daughters. There is also Balzflug the well known Grand-Prix-dressage stallion in the Netherlands and the international three-day-event-stallion Windfall, who qualified for the Olympic in Sydney 2001. The Habicht line produces athletic, noble horses with loads of power and high intelligence.

This filly will excel in any kind of competition or with these outstanding competition bloodlines make an excellent broodmare.

This filly has been backed and taking all in her stride.
